

Bsc (Wits). MBBCh (Wits). FCS (SA). FC Plast Surg (SA)  
 MMED General Surgery (UP). MMED Plastic Surgery (UP)

**Dr Edward Ngwenya** is Plastic and Reconstructive Surgeon, Senior Lecturer (University of Pretoria) as well as a Non-Executive Board Director (South African Medical Association). He has a Bachelor of Science (BSc) and Medical degree (MBBCh) from the University of the Witwatersrand, and achieved a Fellowship in Surgery [FCS(SA)] and a Master of Medicine in General Surgery (MMed Surgery) from the University of Pretoria, for which he received the Golden Key award – an award bestowed only to candidates who graduate in the top 15% of the country. He further specialised in the field of Plastic and Reconstructive Surgery [FCPlast Surg (SA) and Master of Medicine in Plastic Surgery (MMed Surgery)] which is his current vocation.

Having a double surgical speciality, Dr Ngwenya is thus skilled in diverse surgical procedures and knowledgeable as an authority in his field. His interests include, but are not limited to, Breast Surgery (Cosmetic and Reconstructive), Body contouring (body shaping procedures), Onco-plastics (Cancer surgery), and Aesthetic Surgery.

**Overview of Procedures:**

<b>Face</b>	Blepharoplasty, Hair Restoration, Otoplasty, Fat Transfer, Keloids & scar revision
<b>Body Procedures</b>	Arm lift, Body lift, Tummy Tuck (Abdominoplasty), Thigh Lift, Liposuction, Fat Transfer, Labia Minora Reduction (Vaginal surgery), Hernia repair
<b>Breast Procedures</b>	Breast Lift, Breast Reduction & Augmentation, Male Breast Reduction, Breast Cancer Surgery
<b>Reconstructive Procedures</b>	Skin Cancer Treatment, Burns & Scarring reconstruction, Head and Neck Reconstruction, Breast Reconstruction, Hand Surgery, Lower limb ortho-plastics

<b>Medicolegal Services</b>	Assessment and reports, Road Accident Fund, Court Appearances as an expert witness
<b>In partnership with Doctors</b>	Rhinoplasty, Cleft Lip/ Palate Repair, Microsurgery

Dr Ngwenya practices at Steve Biko Academic Hospital and runs his own private practice from Kempton Park (ARWYP Hospital), Fourways (Cure Day Hospital) and Pretoria (Cure Day Midstream).

A man with many talents Dr Ngwenya has an unassuming and gentle nature and is very passionate about his vocation. He is a man who wears many different hats; a dedicated family man, decorated academic, passionate public speaker, successful medical professional, and astute businessman. He is married to Molline, and they are blessed with two delightful children.

He serves as the Vice Chairperson for the South African Medical Association (SAMA) Board and chairs the forum that represents all the SAMA branches in South Africa. He is also on the Executive Committee of the Breast Interest Group of Southern Africa (BIGOSA).

Dr Ngwenya embodies all that defines passion, dedication, excellence, and an astounding finesse in one's vocation.
